1. I discussed with Gordon Stewart the request of the Office of Logistics to hire an Ordnance Technician and noted that the Cover Division had approved of an earlier request to detail Mr. [REDACTED] to the Agency rather than have him transferred. I told Gordon that I did not understand this and asked him to explore it with the Cover Division. He understands that I would prefer the detail, but if it cannot be arranged he has the authority to enter him on duty.

2. I asked Gordon Stewart to alert the other Deputy Directors to the effect that a Notice on the Retirement Board would be out within a few days.
